REVOLUTION YOUTH CAMP

For the second consecutive season, Revolution teams have earned the right to compete at the USAV National Championships in Detroit and Orlando. Our athletes and staff are excited to be able to host a Rev Camp for young players in the area who are interested in gaining a great foundation of skills as they begin playing the game. We also look forward to helping those players who are looking to refine their skills, develop their IQ and gain team concepts, or better understand how training looks and feels in a club setting. This camp will be used as a fundraiser for our teams headed to Nationals.

Who We Are

Revolution Volleyball Club is a youth sports program offering high-level training and competition in the sport of volleyball to athletes in and around Pittsburgh. The club is in its 11th season overall and its second season in the Western part of PA. Revolution Volleyball Pgh has eight competitive teams ranging in age from 12 to 18. In just two years, the Pittsburgh branch teams have earned a reputation for being skilled, smart, and hardworking. The club prides itself in developing players in four distinct areas: athleticism, skill, IQ, and intangibles.

Our Staff of veteran coaches brings a wealth of knowledge to the gym and an attention to detail that is unmatched. Mr. Miller, Coach Lucas, Coach Miller, Coach Hogan, and Dr. Miller have nearly 150 years of combined coaching experience as well as years spent on the court as athletes and in the classroom as educators. The Revolution Coaches have children of their own who have grown from developmental level players into confident and skilled high school athletes. The Rev Staff looks forward to bringing our training methods to your children as well.
